REQUEST FOR REIMBURSEMENT

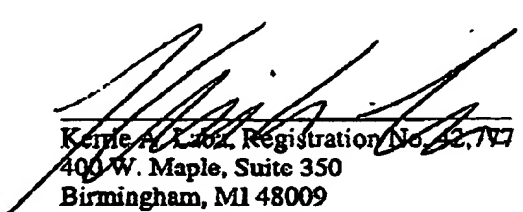

Dear Sir:

Appellant submitted its second Appeal Brief on March 1, 2005. Applicant indicated in its Second Appeal Brief that the appeal brief fees had already been paid with the first Appeal Brief filed January 22, 2004. Applicant's Deposit Account Statement reflects a \$500.00 charge for fee code 1402 on March 8, 2005. (See page 2 of the attached statement). This was an improper charge. Applicant requests that Deposit Account No. 50-1482, in the name of Carlson, Gaskey & Olds, be credited the amount of \$500.00.

Respectfully submitted,  
CARLSON, GASKEY & OLDS
